Todd's Corner - a word from our club President

Just want to remind everyone that the 2021 ProBro will be coming up July 16, 17, and 18. This is traditionally our biggest boost of the year to the treasury so please support the club by joining us at the field on one of those days. There will be good food, good friends, good raffle prizes and plenty of flying. Next meeting is July 8th 7:00pm at the field - hope to see you there! Todd

June 10th, 2021 meeting Notes

Meeting called to order by Pres. Todd R. First order of business was the newsletter and there were no problems with it again this month. He asked if the minutes were o.k. as written and a motion by Gary H., seconded by Dwayne Thomas, and they were accepted.

Walter wasn't able to attend so Ashley brought the figures for the financial report. Currently we have \$1715.75 in the bank and \$515 in our PayPal acct., this puts us up about \$400 from where we were in '20.

Old Business: Gary H. wanted to thank everyone who helped to make this years Elkhorn event such a success! Mother Nature couldn't stop us this year ! I didn't catch the amount of donations for the Porta-Potty but it more than took care of it's expense !!! It was great to see MaryIn and Kathy Atkinson again !!

Old Business cont.: Mike C. told the members that we were looking to have a static display as well as a time to fly any of his planes they had gotten, at the Ron Carrol Memorial! Events for the FunFly look to start around 10:00. Cooks for the day are Airplane Dan, Ron W. and Randy A. Menu is burgers and dogs and (?) whatever !

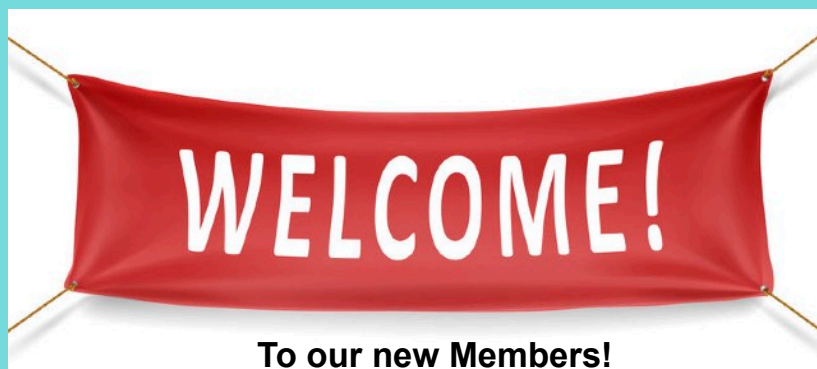

New Business: The next event we have scheduled is for the ProBro on the 16th and 17th of July. Gary was approved \$400 for expenses for the event. He also reported that he had picked up more gate keys for our sales. Landing fees for the event are \$25 as in the past which covers your meals and we hope that all our members will come out and support the event as in the past. Spouses eat for free when bringing a side dish. You do not have to fly 3D !!! ANY type of flying is fine....we will also be having combat at our regular time but at the north end of the field ! The ProBro crew will also be having Pizza Box Full Contact Combat after dark!!

Roy Orth with the Masonic Lodge would like for anyone who can, come to their fundraiser on 2/10/21...they will have a booth and see if we could give a short combat demo. This just happens to be the same date as our fall Elkhorn event so it may be a problem getting participants.

National Model Aviation Day (MAD) is Aug 14th·July 3rd and 4th will be Thunder Over Topeka featuring the Navy Blue Angels along with numerous other flights!! Henry A and Greg Lammers donated items to the ProBro for the drawings they hold.

Safety: Randy A. said he will be posting the “throttle kill” procedure and that Todd will be showing how to set up your dual motor plane for 'Differential Thrust'.

To our new Members!

Jeff Miller, Robert “Bobbie” Thompson, Charles “Chuck” Jackson

John Staudacher

Plow Award: This time we had 3 pilots that had the misfortune of making this event ! Charlie Moubry with a F-22 foamy at Elkhorn, Jeff Laven with Sabre 35 (also Elkhorn) and Airplane Dan with his “Sore/Star Issue!!!”

Honorable mention goes to Jeff Laven for hitting the mailbox at Elkhorn with his trailer while heading home. (-:

Read This, if nothing else!

The next meeting will be Thursday, July 8th at 7 pm. at the Knights Field. There is a list of what is in the Knights "Toy Box" under the Members only page (the lists recently been updated). Members have access to the "Toy Box" at club evenings, events and occasionally at the field. Mike Coyne may also be contacted. **It is no longer available at Sams Service Center.**

For members who want their picture in the Knights picture directory be sure and send Steve a clear digital picture of yourself and by what name you want to be known. He could also take one of you at the field on a club evening. These will only appear on the Members only section. The directory is already up! Send to rcflying@resourcelinks.org.
